- Points of emphasis:**
1. The “war against the Saints” begins approximately 75 days AFTER the Taking Away of the regular sacrifice.
 2. The *Final Trumpet Rapture Gathering* end-time view does NOT *date set*. This view honors the end-time Counsel of Jesus Christ, namely, *no one knows the day or the hour of the Lord's return*.

An explanation of the above: Once the Taking Away of the daily sacrifices takes place, the Temple Project will move forward. Approximately 75 days after the regular sacrifices discontinue, there will be heightened tribulation against God’s people – including both Old and New Covenant people groups. The Bible calls this time, *the war against the saints*. At the setting up of the Abomination of Desolation, great tribulation will then unfold, but only for a short time. God will cut short the great tribulation period, closing the 3½-year war against the saints. Then, astronomical signs will begin the closing years before Christ’s 2nd Advent.

Scripture Interpreting Scripture (Part 4) ; Addressing End-Time Chronological Fine Hairs

Question: Does the charted time line linked immediately above **evidence** this faulty charge:
"Endurance Ministries *date sets* in violation of Bible data" ?

Answer: **No**, because the "date-setting" issue is tied to the **Lord's return**. The "date-setting" prohibition does NOT mean we cannot make observation details about *the war against the Saints* and other end-time events.

"But of that day and hour no one knows, not even the angels of heaven, but My Father only." (Jesus speaking ; Mt. 24:36 ; NKJV)

As a result of the above, we make this claim:

The *Final Trumpet Rapture Gathering* end-time view never *date sets* regarding the Second Coming.

~ It doesn't date set RE: **the initial appearing of Christ** in Mt. 24:30 and Rev. 6:14-17 because we don't know how much time takes place as the heavenly signs blaze.
(see Mt. 24:29 & Rev. 6:12, 13)

~ It doesn't date set RE: **the final trumpet rapture gathering** in Mt. 24:31 and Rev. 11:15 & 14:14-16 because we don't know the duration of the 6th Trumpet era. Rev. 10:5-7 does not cite the exact "day or hour" ; the "then" of Rev. 11:15 is not specifically defined.

~ It doesn't date set RE: **the 2nd Advent of Christ to the earth** in Mt. 25:31 and Rev. 19 because we don't know how long it takes the armies (of Rev. 16:14) to gather for the Rev. 19 battle event when our Lord accomplishes a great victory over them through His simple - but **powerful** - Word!

It's amazing how clear God has been regarding end-time details.
His Word is Truth and will come to pass as He has declared.
