

Batting 1,000

We* are currently batting 1,000 (that is, 100%) after well over 9,000 *at bats* since 1999.

By God's grace, we (and His people in general) are able to correctly forecast some future events (and, in the case of THIS stat in THIS article, we are also able to correctly deny **claims** tied to other future events – ones in conflict with Bible data) because our predictions are based on the explicit content of God's Word. We have no control over our prophetic announcements. In other words, we cannot fabricate fulfillment of God's prophecies.

At this juncture, we'll simply repeat our two earlier **thus-says-the-Lord** prophetic announcements:

"The rapture of the Church will NOT take place in 2018, 2019 or 2020." (see our commentary blog CB1C;18 at www.truthfoundations.org/home/archived2018commentary.html, a blog which also addressed this matter) This prediction unfolds in the context of daily fulfillment in this way: "The rapture will NOT take place **today.**" ** This is True in light of II Thes. 2:1-12, the books of Daniel and Revelation, Matthew 24 & 25 and, in general, in light of the full eschatological Counsel of God's Word. The Pre-Trib doctrine of **imminency** is false. [URL: <http://www.truthfoundations.org/1cid4.pdf>]

Our second (initially posted in 2020) *thus says the Lord* appeal on this matter, based on Scripture, was this:

"The rapture of the Church will NOT take place in 2021, 2022 or 2023."

So, to date, how are we doing by way of batting average? Our present *at bat* average, as of the conclusion of 2023, is still 1,000 ... after 9,000+ *at bats*. ** For clarity's sake: Each *at bat* when we *step up to the prophetic plate*, we seek a "hit." Our prophetic *hit* is this: Being accurate concerning our daily *at-bat* predictions that "Jesus Christ will not return – specifically: rapture His church – **today.**" We figure 1 bat/day due to the popular (but incorrect!) view which teaches *Jesus Christ could return any day.*

As we did in blog B24;17 (posted on the 2017 archived weekly blog page at www.truthfoundations.org), we need to confess **HOW IT IS** we are able to bat 1,000 on this prophetic topic:

The entirety of God's Word is Truth – Psalm 119:160. As we allow HIS Word to say what it actually says, we evidence our Truth Foundation, which is this: God's holy Word. **ANYONE could share the batting average we hold. Folks simply need to affirm the unadulterated Word of God and avoid mixing it with unbiblical opinions and/or interpretations of men.**

Given the end of 2023 has now taken place, we make our next *thus says the Lord* appeal - our third (and final) declaration (that is, negation) as to the Pre-Trib *any-day* timing of the rapture of the Church:

"The rapture of the Church will NOT take place in 2024, 2025 or 2026."

It – the Bible – says what it means and means what it says, affirming the reality of various genres existing in the equation. Its content is Truth. **So DON'T look to us for Bible prophecy. Look to God's precious revelation.**

May the Word of God enlighten us such that we are among those who
"understand" – Daniel 11:32-35 – whereby we rightly discern the season. May
His blessed Holy Spirit bring illumination as we endure in listening to יהוה God!
May we apply what we learn and obey God's protective Counsel. Amen
