During the tribulation period, difficult days increase. As it becomes more and more clear the man of diplomacy is indeed the man of lawlessness—in part, due to his requiring the world to yield to his program, which will include the mandate to syncretize all religious ideologies into one belief system whereby (they say) global peace can be secured—God’s people in Jesus Christ will speak out, exposing the antichrist for who he really is. This will bring on an all-out war against the Saints, including a period of great tribulation. But God delivers, eventually setting up His eternal Kingdom!
