Are you sick and tired of all the darkness today !?

If you're older – say 40 years old and up – do you long for the *good old days* ? Do you miss the more peaceful and prosperous days of old ? God, through Jeremiah the prophet, offered His Old Covenant people sweet correction - correction toward the end of restored blessing of rest for their souls. (see Jeremiah 6:16) God offers the same, today, IF we would but repent of our sinful ways. The prophet Daniel offers an example in Daniel 9.

Are you ready to throw off the evil deceptions of our day and replace them with peace-filled prosperity?

Life in God, even today, offers an *abundant* alternative to the horrific, commonplace things our day. Jesus Christ graciously offers this blessed state to those who would say “YES” to Him. John 10:10

**We continue to offer our “live” ministries ...**

Please prayerfully consider having us come and minister with your home church family. We are also open to (up to) one-year interim pastoral assignments in local churches needing time to seek a permanent pastor. If such a blessing should be extended, by God's grace, we will serve well as we seek to bring Bible-based, Spirit-filled, Gospel- and Discipleship-rich, God-honoring ministry efforts during these awesome *end of days* prior to our Lord Jesus' glorious initial appearing.
