

Endurance Ministries' Purpose Summary

As we find 2025 rapidly approaching, we need to keep our [ministry focus](#) in mind as we proceed.

Our ministry is about Gospel (evangelism) & Discipleship activity. In this setting, we confess our primary emphasis – one of the main reasons we exist – is Discipleship, yes, but Discipleship especially in the context of *Endurance in Christ* through the *end of days* until our rapture gathering (the second part of our Lord's three-part return*). One could call this “End-Time Discipleship including a Gospel commitment during the *end of days* prior to our Lord's gathering of His Church.”

As a result of our resolve to stay true to this commitment, our ministry “frame” [time wise] is this:

As of TODAY, we seek to help God's Church in Jesus Christ ENDURE in Him through these more difficult days. We press on in that focus until our Final Trumpet Rapture Gathering at the 7th Trumpet (Revelation 11:15ff). With this time period in mind – today thru the Rapture event – we want to minister in ways contributing to the victorious overcoming of the Saints of God in Christ. (Rev. 2 & 3)

So, “[What's coming?](#)” by way of events the next decade or so?
