

# Extending Another Fair, Urgent Request

## Reviewing Our Appeal To Download Helpful Materials

Since we entered into formal ministry service in 2,000 A.D. as “Endurance Ministries,” we have tried to further educate God’s Family in Jesus Christ on Bible data about *the end of days* - days just prior to our Lord’s glorious return. We have, by God’s grace, created hundreds of articles on matters pertinent to living **victoriously** in Christ Jesus through these growingly difficult days. In this service effort, we celebrate God’s goodness to us by allowing us over 25 years of both formal and informal (prior to 2,000 A.D.) Gospel & Discipleship ministry. THANK YOU, LORD JESUS!

We have posted most of our materials ONLINE **but** now need to make the following urgent request given we are scaling down our ministry efforts as we enter into yet another *season* of culturally [troubled waters](#).

Please, for your best interests physically, mentally, spiritually and emotionally, AND for your best eternal-state interests, **download our materials now**, before it’s too late to access them as some of them will no longer be online available as we venture into 2025. Also consider sharing these materials with family, friends and church Family members, pastors included.
