

2024 Truth Social Posting

(You can find these posts here: <https://TruthSocial.com/@6TFTruthMattersTF6>)

By way of reviewing the epistemic foundation upon which we build our *end of days* viewpoint, we've decided to quote our *Truth Social* posts in 2024.

Series 1 *How do we know what we know?* is an essential first-step question.

- TS1 There is a FOUNDATION from which Truth appeals are made. Question: How good's YOUR Truth Foundation? We're hoping it's of better quality than what's found in this article which addresses a major flaw inherent in the Postmodern worldview perspective. Article link: www.TruthFoundations.org/1cid5.pdf
- TS2 Exposing a faulty perspective is one thing (see linked article above). It's yet another to offer constructive worldview Truth ... For secular epistemic articles, go to www.TruthFoundations.org/TM.com%20Home.pdf. For sacred epistemic articles, go to www.TruthFoundations.org/TF.com%20Home.pdf.
- TS3 Just in case the point made in our first post was missed ... The relative mindset (so popular today) is contradictory. Only hypocrites who refuse to live consistently within their worldview tenets would embrace the deception. Truth Matters! For insight from Socrates, follow this URL: www.TruthFoundations.org/1cio31.pdf.
- TS4 Okay, we get it | we hear you: "Deconstruction" efforts can only take us so far. So let's move forward with our introduction & offer some building up, constructive data. Be edified by going to www.TruthFoundations.org/TSA4.pdf.
- TS5 Applying Dr. Miller's quote (see our Truth Matters' pages) to the contemporary topic of end times is HUGE. Dr. Earle Ellis provides helpful insight toward doing so – toward segueing from the general epistemic topic to the specific topic of end times. Our featured Dr. Ellis quote: www.TruthFoundations.org/TSA5.pdf
- TS6 We trust "Epistemic Essentials" have been helpful. These pertinent, crucial articles are also posted here: www.FinalTrumpet.online. Before we share protective Counsel concerning our *end of days*, we must first highlight the *Truth Foundation* we use. The next informative article (TSA7) will post in early August.

In this first mini series we simply address the fundamental starting-point *epistemology* plays in truth declaration. This topic – *consideration of what it is that's the basis for our truth claims* – is, as Dr. Miller's quote and Dr. Ellis' quote state, the first-things-first issue in addressing all concerns under the sun.

Having briefly touched upon this *starting-point* matter, we now move on to our next mini series. In summary, our 2nd mini series seeks to declare the epistemic basis upon which our *end time* position is defined and developed.

Series 2 The epistemic foundation we use to build our end-time position is the Bible.

- TS7 The Bible is amazing. Read Isaiah 55:8-11 for insight as to the Source of Bible content. Yes, God's Word is amazing indeed. The includes accurate prophetic declarations concerning our *end of days*. For more on this precious matter, please visit www.FinalTrumpet.online/wp-content/uploads/2024/08/TSA7.pdf .
- TS8 God's revealed Word, when contrasted to humanity's tiny knowledge base, is as high as the heavens are above the earth – omniscience found only in our precious Creator. Further clarity can be found here: [Do visit www.FinalTrumpet.online] www.FinalTrumpet.online/wp-content/uploads/2024/08/TSA8.pdf
- TS9 By way of a brief but crucial “side bar,” God's revelation also speaks to His gift – a precious, bright eternal life (as opposed to a dark eternity). Would you please consider “Good News” which highlights God's gracious offer to mankind? Visit www.EnduranceMinistries.online/gospel
- TS10 The Bible brings accurate prophetic Truth. Its predictions concerning the 1st Coming of Jesus Christ alone are outright amazing. The evidence overwhelmingly affirms | points to God's omniscience. His plan of deliverance from dark bondage – secured in Christ's first coming – is precious. Have YOU received His gift? For details, visit www.FinalTrumpet.online
- TS11 The Bible brings accurate prophetic Truth concerning the yet-future 2nd Coming of Christ Jesus. The facts it lays out are succinctly detailed. Because these insights are significant (the details it addresses are tied to YOUR eternal state), do take time to consider the Counsel offered therein. For an example of end-time Bible prophecy fulfillment, please visit www.TruthFoundations.org/TSA11.pdf today.
- TS12 So what does the Word of God say about the 2nd Coming? Join us for a fascinating series of posts which highlight past (recent past) events, present events and soon-to-come details about events which will unfold globally this next decade. But first, visit www.TruthFoundations.org/TSA12.pdf for a summary of our *Truth Social* posts to date. Be encouraged!
