

FAQ 20

Take Advantage Of Our More Personal (*Live*) Presentations

Q #20 Does Endurance Ministries bring prophetic seminars and conferences?

YES. For example, we are preparing for our 9th Annual *Truth Matters* Seminar to the Portland Metro area in May, 2009. We also bring pulpit supply to churches desiring a biblical presentation on end-time matters. Occasionally churches also include a Q & A segment during the Adult Bible Fellowship/Sunday School hour in order to answer specific questions tied to eschatological themes present in our culture today and questions pertaining to the Final Trumpet Gathering/Rapture position.

If you would have us come and speak, please contact our director of field ministries at email@endmin.org for more information. And, once again, if you have any comments or questions, please email using the same email address.

May God bless us and keep us through these awesome days as we endure in our abiding in Christ Jesus our Lord!
