

FAQ 29

Please **KNOW** Our Position **BEFORE** You Judge It - **THANK YOU!**

Q #29 Why do you emphatically deny the Final Trumpet Rapture Gathering is a MID-TRIB Rapture position when the evidence leads to the contrary?

The answer is clearly presented in our major work, *The Final Trumpet Rapture Gathering: An Introduction*. In short answer here, we simply define Daniel's 70th Week without all the extra-biblical presumption which many Pre-Millennialists include in their charts detailing Daniel's 70th Week.

As we state in the book, please study this position in fair manner whereby you really understand this position's tenets **BEFORE** offering critical commentary. That's a fair request all of us ask when presenting a position. We, in turn, ask for the same treatment. And again, we do so with this mindset: the Final Trumpet Rapture Gathering position is a proposal for your prayerful consideration (as opposed to dogma) **AND** to which we'd strongly encourage a Berean response ... investigate this in light of explicit biblical data.
