

FAQ 34

Do You Claim YOUR Position Is THE True End-Time Position?

Q #34 ... So are you saying Endurance Ministries and the ministry team have THE Truth about end-time details?

As stated in the Word of God, it's the **Bible** that graciously presents His Truths.

As understood by the definition and concept of "truth," yes, **truth is narrow!**

As our book states in various ways, there is one (holistic) biblical **truth** concerning Creation; there is one biblical doctrine concerning the Person and Saving Work of Jesus Christ. These **Truths** are faithfully revealed in the 66 books of the Bible.

Okay, a couple closing comments in response to this specific question:

1. God's Word also offers one holistic (and True) scenario of His Son's glorious Return.
2. IF we have been unfaithful to Scripture, PLEASE let us know where and we will make correction.

By God's mercy and grace, we are teachable in light of the authoritative (explicit) Word of God and are open to - we sincerely give listening ear to - Family in Christ's God-honoring concerns.
