

# FAQ 43

By God's Kind Grace, Yet Another Discipleship Resource ...

**Q #43** How much of an income do you make from this ministry?

You'd be surprised. All of our financial resources go toward shepherding God's flock in Jesus Christ AND toward encouraging goats to become His sheep. We have no salaried positions. In fact, since you asked, let me demonstrate our giving spirit, by our Lord's mercy and grace, through making available one publication we've been selling since 2008. It's titled *Now The Rapture? Rightly Dividing the Word of Truth*. It's part one in an important series. It's important due to additional cultural affairs/current matters which have surfaced recently.
