

FAQ 45

WE Are Accountable Before God For Accepting *False Accusation* Claims

Q #45 I've been told, "It [The FTRG chronology] is all screwed up!" Can you justify your position?

Yes, but first, tell us, **biblically speaking**, exactly HOW is this view "screwed up" ?

We actually answer the justification (of the view) question throughout our web sites. Our point: **CHARGES** can be made but let's be honest as to what, exactly, is the problem! To date, we have **NOT** received explicitly biblical rebuttals to the position. Questions, yes; rebuttals, no. God's Word continues to be our measurement for faith and practice.
