

FAQ 55

We've compiled many of our online handouts in one location.

Q #55 Could you please place your major handouts at one location so I know what you make available without having to surf your many sites?

By God's grace, we do offer many very insightful handouts - ones available to you.

If you'd care to have our many handouts sent to you in 8.5 x 11 hard copy format - and we do allow you to copy the handouts as long as the material is fully copied as we send it - **please snail-mail us at:**

Endurance Ministries
P.O. Box 92098
Portland, OR 97292

and ask for our "Church Ministry" supplies.

Please enclose \$10 to help cover our mailing costs and enclosed information. The material alone is valued at more cost given the eternal nature of the data so please see this as yet another ministry from us to you, sincerely so. Please make your check out to "Endurance Ministries" when you send your request.

Also, please see www.currentmatters.org (on our "gifts" page) where many of the discipleship documents are also posted - online.
