For Your Consideration: *The Final Trumpet Rapture Gathering*

Q #60 *Is the Final Trumpet Rapture Gathering a sound end-time position?*

Absolutely! As stated on other Endurance Ministries' web sites, to date we have received no biblical rebuttals on this explicitly biblical position. In fact, we believe it is the most biblically evidenced end-time position today. [Click here](#) to review the position's summary chart.

Care to conduct a Christ-honoring *seminar debate* on this matter where **four** Pre-millennial positions can be considered in one setting during a one-day instructional gathering?

We need

- (1) Pre-Trib
- (1) PreWrath &
- (1) Post-Trib (therefore, three)

advocates who are willing to engage in this edifying exchange. Please email our field director at email@endmin.org for more information about putting together such a debate. (The fourth Premillennial position would be the *Final Trumpet Rapture Gathering*.)
