## Good News

Jesus Christ is coming back to claim His own!

Are you prepared for that day? Have you believed (by faith, responded to) what God has said concerning the absolute need to be seen in His Son – Jesus Christ? If these are strange questions to you, please read on, for your eternal destiny hinges on this significant matter.

Humanity has NEVER been able to resolve two of the greatest problems of mankind: Sin and Death. These two universal truths – true to everyone’s experience: past, present and future – are only solved in Jesus Christ. That’s God’s perspective anyway.

We have yet to find anyone who sincerely believes he/she has not sinned, nor have we found people who claim they have (and actually go on to) overcome death on their own. Jesus Christ is the only exception. He never sinned; He overcame death. Can you now see why His life, death and resurrection are such blessings? IF one accepts His payment on the cross as their provision for Divine forgiveness before God, this one’s sin is covered. IF one accepts His resurrection as the basis for their own personal victory over death as He demonstrated ability to provide through His glorious resurrection victory almost two thousand years ago, then this one’s eternal destiny is determined – immortality in God’s very presence. IF one chooses to reject God’s only two solutions to the two biggest problems of humanity, then this same individual is on his/her own at the time of accounting and will be fairly judged on the merit of his/her deeds. What a scary, somber thought, don’t you think, especially in light of Revelation 20:11-15?

Historically, Jesus Christ died and rose from the dead. He said while on earth that that was actually why He came – to seek and to save that which was lost. He came not to be served, but to serve and to give His life as a ransom for many. Please be one of those who receives His provision. Listen to His very words on this matter:

For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life. For God did not send His Son into the world to condemn the world, but that the world through Him might be saved. He who believes in Him is not condemned; but he who does not believe is condemned already, because he has not believed in the name of the only begotten Son of God. (John 3:16-18; NKJV)
