

Pondering 2024 ... What A Year It's Been!

On the global "[thematic](#)" front ...

In light of God's illuminating [early end-time Bible passages](#), one has grounds to affirm the prophetic accuracy of the data, especially as we assess culture. Let's be honest; let's be realistic: The predictions in God's Word are unfolding today more than ever! Say again. One need only look at society worldwide (in light of Bible Truth) to be impressed. If one is willing to do this research, we ask: What does one find? Answer: Fulfillment after fulfillment of what God has graciously said would take place before His glorious Son's return (in His initial appearing). Amazing!

Because God addresses eternal matters, we plead with you to, at the very least, look into these miraculous phenomena. Evaluate the condition of our planet using Bible material and you will be awestruck as to the evidence proving His Word is prophetically *spot on*. Take time to do so because the consequences tied to this topic of end times are eternal ones ... Forever is a l o n g time!

On the global "[chronological](#)" front ...

In light of some of God's illuminating [end-time chronological passages](#), one has strong warrant in support of affirming this: *The prophetic accuracy of the Word of God is clear*. Being honest; being Truthful: God's prophetic calendar of end-time events is unmatched when contrasted to other prophetic *voices*. Watch out, Nostradamus!

Friends, God's Word continues to be that which it has always been through history – a light unto our path. Our fair suggestion: Take time to review what's happened this year and then go on to ponder the events *through the eyes* of the Truths presented in the linked Bible data (above). Given the Word of God's track record, it's also wise to then take steps to discover what it says **about days yet future to 2024**. In fact, we've begun this journey for you by whetting your appetite. View our "[Anticipating 2025](#)" article and you'll find Bible Truths which will unfold soon, even finding some predictions being fulfilled as early as 2025. Seriously!

An appropriate closing prayer:

Our Father, Who art in heaven,
Hallowed be Thy name.
Thy Kingdom come; Thy will be done.
On earth as it is in heaven.
Give us this day our daily bread,
And forgive us our trespasses,
As we forgive those who trespass against us.
Lead us not into temptation,
But deliver us from evil.
For thine is the Kingdom and the power
And the glory, forever and ever.
In Jesus Christ's name, amen.
