

# WELCOME to EnduranceMinistries.org !

Greetings in Jesus Christ's holy name. Thank you for visiting us today. And what a day it is ... one to be living for the soon-coming Lord of lords!

*Endurance Ministries* exists for clear **purpose** : To honor and glorify our Creator God. End - Time **THEMES** highlighted in Scripture are the main focus on this site although biblical end-time **chronology** is also important and thus the reason why we also address this concern on other sites. We do so due to many popular (but incorrect!) end-time chronological proposals within the church today. (visit [www.endmin.com](http://www.endmin.com) for awesome insight)

In **this** series, both current cultural affairs and soon-to-take-place scenarios are highlighted. The foundational THEME – based on our epistemic foundation (God's holy Word) – is “**endurance**” through these difficult times. “The one who endures to the end will be saved” is Counsel from the Lord of lords, Jesus Christ; Son of God; Savior. We take this Truth seriously. In light of these germane-to-present-culture topics, here are a few *chapters* we are highlighting on these informational pages:
